3. 1.10.2008 Heard.

The petitioner is the younger brother of the husband whose wife was allegedly strangled on account of not bringing a motorcycle and a colour television. Before lodging of the written report the son of the informant had come to the house of the petitioner on hearing about the death of his sister by hanging herself and he was told that Rinku Devi was mentally suffering from depression and as such had committed suicide. This may be of no consequence inasmuch as the informant of the U.D.case had appeared when he found the dead body of the lady. As such, that statement appears a got up story.

As regards the post mortem examination report, a copy of the same has been produced before me by learned counsel appearing for the petitioner and that appears supporting the allegation that the lady was strangled to

death.

The contention is that the petitioner on the date of occurrence was not present in his house, he was in Ujjain, and after all he is the younger brother of the husband and the husband was the man who was demanding the colour television and a motorcycle.

Regard being had to the facts and the contention, let the petitioner, namely, Randhir Singh be released from custody on his furnishing a bond of Rs. 10,000/- (ten thousand) with two sureties of the like amount each to the satisfaction of the Sub-divisional Judicial Magistrate, West Muzaffrpur, in Kurhani P.S. Case No. 22 of 2008.
